

ALTAIR SUNLITES

LOOK ON THE LIGHT SIDE

Combining modern frame design with high-quality materials, Sunlites™ delivers classic aesthetic with technology-driven purpose in a variety of popular styles for men and women. Unlike other sun clip products, Sunlites clip sets are free from bulky features or carriers. The streamlined bridge mount secures to frames easily with one hand, ensuring customized comfort and durability.

Additionally, all Sunlites clips feature a streamlined bridge-mount that secures easily with one hand. The polarized sun clip is available in a brown or grey tint to coordinate with your frame color.
